

OFF THE BEATEN TRACK.

Montreux
Jazz Festival

THE STORY OF MUSIC DANCES WITH THE LEGEND OF FREEDOM.

Adventure, freedom, authenticity and passion don't belong only to Jeep. They represent also the most genuine values of all great musicians. This is what has always pushed the Montreux Jazz Festival further, taking the music and the audience into new territories, by breaking barriers and limits. And nothing makes us more proud of being here as the main sponsor.
